

Park Lawn Preschool Inc.

Parklawn Preschool ★ Humber Bay Child Care Centre ★ PLP Early Learning Centre at St. Mark

March 13, 2020 – 1:30 p.m.

Dear Families and Staff of Park Lawn Preschool Inc.

Park Lawn Preschool Inc. Child Care Centres – CLOSED effective March 13, 2020 at 6:00 p.m. until April 6, 2020 at 7:00 a.m.

We were just informed by the TCDSB and TDSB that their schools will be closed to Child Care Centres beginning March 14, 2020.

This means that our centres will not operate between March 14, 2020 and April 5, 2020.

We recognize that these closures will be challenging for our families.

Thank you for your patience and courage during this difficult week. It is not easy to wait when so much is changing so quickly. It has been difficult for our caring staff, families and Board to follow the protocol in place for this COVID-19 epidemic. In this pandemic emergency we are charged to take direction from the Medical Officer of Health, the Ontario Command Table and the School Boards who are leading the staging of the management plan for Ontario.

Since the announcement of the closure of schools on March 12, 2020, we have been lobbying to have child care centres included in the March Break closures. We are relieved and grateful that this difficult decision has been made.

As you are aware, the situation continues to evolve and change by the day.

Ongoing updates about the status of centre closings will be posted on our website www.plpdaycares.com as we receive them. To help parents and staff stay informed we will post an update on our website by noon on Friday, April 3, 2020 even if nothing has changed.

This is a challenging time for all of us. Thank you for your continuing support.

March 13, 2020

Dear Park Lawn Preschool Inc. Families –

Questions About Parent Fees?

- Our staff is being paid during this enforced closure.
- Decisions about fee rebates or adjustments have not been made.
- The Board of Directors is scheduled to meet on April 8, 2020 where decisions will be finalized and parents informed.
- Any Fee Rebate/Adjustment amounts will be issued in the month following the Board meeting.
- The current plan is to hold all cheques and INTERAC e-transfers for April pending the Board decision.
- Charges for the sixth strike day will also be held.
- If the closure extends longer into April, we will re-assess this timeline.

Supervisors and Head Office will monitor email and phone messages and respond to emergency issues during this closure.
